TODATE, HOWEVER, THIS COULD BE SUBJECT TO CHANGE AT ANY TIME.**

MME WORKSHOP 06/17/14 AT 2:00 P.M.

- 1. Question:** Do we have to get the Compliance Permit before the 8th to 17th window?
Answer (a): **No, applications are being taken for Compliance Permits during that time. Actual permits will be issued by the City Council sometime this fall.**
- 2. Question:** On the Personal History Form, the police letter is that only for individuals living outside of the state?
Answer (a): **Any person who has lived outside of the state at any time during the last 10 years will require a police letter from each jurisdiction. We will allow police letters no more than 60 days old and FBI background checks no more than 90 days old.**
- 3. Question:** The way I understand it, the requirements, there are no zoning requirements for labs, right? We just need to follow Title 19?
Answer (a): **That is correct.**
- 4. Question:** Do we just apply to the State first, then after those are accepted (assumed), then we would go to the Special Use Permit for the City?
Answer (a): **For a laboratory ONLY, yes.**
- 5. Question:** If you don't have a copy of your birth certificate is a passport acceptable?
Answer (a): **No, you need to order a copy of your birth certificate.**
- 6. Question:** I just want to get clarification that really this workshop isn't applicable for the medical labs process?
Answer (a): **That is correct; this is just for the dispensaries, cultivation and production facilities.**
- 7. Question:** Are there any limitation that prohibits having more than 1 location, in other words, 1 in the County, 1 in the City, 1 in North Las Vegas?
Answer (a): **No.**
- 8. Question:** On the website you have the zoning maps with the buffers, as long as the site isn't in that green at all then it's good, is that correct? On the site that we are looking at there is a mission across the street we are not sure if the mission is a community center. Bonanza and Main.
Answer (a): **If it's outside the buffer area, it may be eligible. You are still going to need to submit a survey to verify there are no uses within that distance separation that would restrict your operation. A mission would not be a community center per the stat definition unless it provided child care services.**
- 9. Question:** Are they taking appointments for those 10 days?
Answer (a): **No, it's first come, first serve as long as you are here before 3pm on that last day.**
